**Independent Auditor's Report
To the Shareholders of
Nitol Insurance PLC**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Nitol Insurance PLC** ("the Company"), which comprise the Statement of Financial Position (Balance Sheet) as at December 31, 2025, and the Statement of Profit or Loss and Other Comprehensive Income (Profit or Loss Account), Profit or Loss Appropriation Account, Consolidated Revenue Account and its related Revenue Accounts, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025, and its financial performance and its cash flows for the year that ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasize of matter

Without qualifying our Opinion, we are drawing attention to the following important facts that have a significant bearing on the financial statements for the reporting period:

- We draw attention to Note 16 and note 22 to the financial statements regarding Fixed Deposit Receipts (FDRs) and Cash & Cash equivalents amounting to BDT 1,45,00,000 and BDT 7,22,862 respectively, held with Export Import Bank Plc, Social Islami Bank Plc & First Securities Islami Bank Plc, which has subsequently been merged with Sammilito Islami Bank Plc. As explained in the said note, due to the ongoing uncertainties surrounding the financial position and recovery process following the merger, there exists significant doubt regarding the recoverability of the aforesaid FDR and Cash & Cash equivalents balance. Management is in the process of assessing the situation and pursuing necessary actions for recovery. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	How our audit addressed the key audit matters
Premium Income	
Premium income is the most financially significant item in the statement of profit and	With respect to Premium income in respect of various types of insurance we carried out the following procedures:

<p>loss account & profit and loss appropriation account. The company has reported Net premium income of BDT 103,398,727 for the year ended December 31, 2025.</p> <p>Gross general insurance premium comprises the total premium received during the accounting period for the entire period of cover for which insurance policy has been issued by contracts with Nitol Insurance Company Limited As the premium income recognition, due to the significance of the balance to the financial statements as a whole, we regard this as a key audit matter.</p>	<ul style="list-style-type: none"> • The design and operating effectiveness of key controls around premium income recognition process. • Carried out analytical procedures and recalculated premium income for the period. • Carried out cut-off testing to ensure unearned premium income has not been included in the premium income. • On a sample basis reviewed policy to ensure appropriate policy stamp was affixed to the contract and the same has been reflected in the premium register. • Ensured on a sample basis that the premium income was being deposited in the designated bank account. • Tested on a sample basis to see that appropriate VAT was being collected and deposited to bank through Treasury Challan. • For a sample of insurance contracts tested to see if appropriate level of reinsurance was done and whether that re insurance premium was deducted from the gross premium. <p>Assessed the appropriateness and presentation of disclosures in accordance with relevant accounting standards, Insurance Act 2010, Insurance Rules, 1958 and other applicable rules and regulations and regulatory guidelines.</p>

Other Information

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, company act 1994, Insurance Act 2010, Insurance Rules 1952 and Securities & Exchanges Rules 2020, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements
